5.6.2 Concluding the contract

The contract will be awarded to the tenderer who has submitted the most economically advantageous tender per lot.

It is to be noted that in accordance with Art. 85 of the Law of 17 June 2016, there is no obligation for the contracting authority to award the procurement contract.

The contracting authority may either decide not to award the procurement contract; either redo the procedure, if necessary through another award procedure.

The contracting authority maintains the right to award only a certain lot or certain lots.

In accordance with Art. 88 of the Royal Decree of 18 April 2017, the procurement contract occurs through the notification to the selected tenderer of the approval of his tender.

Notification is via e-mail.

So, the full contract agreement consists of a procurement contract awarded by Enabel to the chosen tenderer in accordance with:

- These Tender Specifications and its annexes;
- The approved BAFO of the contractor and all of its annexes;
- The registered letter of notification of the award decision;
- Any later documents that are accepted and signed by both parties, as appropriate.

NOTE: the financial offer form has been adjusted to capture the financial offer per lot. And it's annexed to this corrigendum.

All other terms and conditions of the tender documents remain unchanged. The above modifications and / or corrections to the tender documents are integral part of the contract notice.
